

To all interested parties,

The 2013 Pacific Northwest Fish Screening and Passage Workshop will be convened September 17-19, 2013 in Missoula, MT.

We are currently developing the program and organizing site visits in preparation for the workshop, which will be the first time that this workshop is convened in Montana.

More information will be available soon as registration for the workshop will begin in mid-May.

If you have any questions or would like to assist with the workshop, please contact Neil Ward at 503-229-0191 or at neil.ward@cbfwa.org.

We look forward to seeing you in Missoula in September!

Thank you,
Neil Ward
